SUBMISSION OF REPLACEMENT DOCUMENTS

Sir:

Enclosed please find replacement copies of correspondence filed with the U.S. Patent and Trademark Office (PTO) on December 4, 2001 in response to the Notice to File Missing Parts, mailed October 4, 2001 with respect to the above-identified patent application.

This correspondence was filed by Express Mail with the PTO on December 4, 2001 with sufficient postage in an envelope address to U.S. Patent and Trademark Office, Box Missing

Parts, P.O. Box 2327, Arlington, VA 22202.¹ A copy of the Express Mail Receipt is enclosed that shows a handwritten "date-in" as "12-4-01" and also a USPS postal stamp bearing a receipt date December 4, 2001 (Exhibit 1).

This correspondence was received by PTO in the Office of Initial Patent Examination (OIPE) on December 4, 2001 as evidenced by the return-addressed postcard stamped as received by the OIPE (Exhibit 2).

During a routine status review in mid-September, the undersigned discovered that the filing receipt had not yet been received. On September 27, 2002, the PTO's Patent Application Information Retrieval (PAIR) system indicated that the correspondence did not appear to be present in or associated with the application (copy of PAIR Page printout is Exhibit 3).

Ms. Nalini P. Sahadeo, a patent paralegal at Hale and Dorr, placed a telephone call to the PTO OIPE on September 30, 2002 and spoke with Mr. Tucker who advised her that this case appears to be with Johnson Control Work Station. Accordingly, it appears that the correspondence is lost in the PTO. This replacement correspondence is being promptly submitted after such discovery.

¹ The Arlington address was used pursuant to the "Notification Related to United States Postal Service Interruption," dated November 20, 2001 with respect to the suspension of the Express Mail Service of the USPS for mail addressed to ZIP Codes 202xx through 205xx, and pursuant to the notice "Termination of the Suspension of the "Express Mail" Service of United States Postal Service for mail addressed to ZIP Codes 202xx through 205xx," dated December 5, 2001, which permitted use of the Arlington address until further notice.

Mr. Tucker advised Ms. Sahadeo that she should send a facsimile transmission to fax number 703-746-7060 with a letter and copy of the correspondence as filed, explaining the situation. However, after advising Mr. Tucker that the correspondence was too lengthy for a facsimile and included a computer diskette, he confirmed this submission should be filed via Express Mail, for Box Missing Parts.

The enclosed correspondence is a true copy of that filed with the PTO on December 4, 2001 and is the Response to Notice to File Missing Parts of Application; Executed Declaration; Executed Appointment of Power of Attorney by Assignee of Entire Interest; a copy of the Notice to File Missing Parts of Application mailed October 4, 2001; Preliminary Amendment; Revised paper copy of Sequence Listing; and Sequence Listing in Computer Readable Form (CRF).

If any outstanding issues remain or further information is needed, the personnel of PTO is invited to contact the undersigned to resolve any matter.

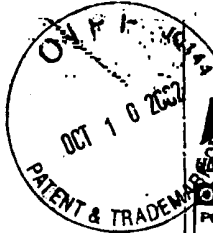

Respectfully submitted,
Hale and Dorr, LLP
